

Anthos Fund & Asset Management awarded B Corp certification

Zug, Switzerland, 22 October 2024 – COFRA Holding AG (“COFRA”) is pleased to announce that Anthos Fund & Asset Management (Anthos) is now B Corp certified, joining a global movement of 9000 companies which promote a more sustainable and fairer society.

Anthos is the second of COFRA’s businesses to become B Corp certified, following Sunrock’s certification in June this year.

The B Corp certification is recognition of Anthos’ role in fostering a more responsible capital system, where the pursuit of profit is balanced with the need for positive impact on people and the planet. It confirms Anthos’ long-term commitment to greater sustainability, since B Corps must be recertified every three years to maintain their standing.

Boudewijn Beerkens, COFRA Holding CEO, commented: “Congratulations to Anthos Fund & Asset Management on becoming the second of COFRA’s businesses – after Sunrock - to achieve B Corp certification. All our businesses are constantly striving to improve their positive impact and this is a pleasing sign of Anthos’ progress.”
